

PRODUCT Fiche

Energy Label Directive EU2010/65/EU No 65 of 2014 of ovens

| Brand                                                    | Beko       |   |
|----------------------------------------------------------|------------|---|
| Model                                                    | BDVCG301   |   |
| Energy efficiency index per cavity (EEI cavity)          | 104.6      |   |
| Energy efficiency class                                  | A          |   |
| Energy consumption (kWh) Conventional per cycle          | -          |   |
| Energy consumption (kWh) Forced air convection per cycle | 0.83       |   |
| Usable volume (litres)                                   | 63         |   |
| Number of cavity                                         | 3.0        |   |
| Heat source per cavity                                   | Electrical | x |
|                                                          | Gas        | - |
|                                                          | Mix        | - |

INSTRUCTION BOOKLET

PRODUCT INFORMATION

Comply with EU directive 2009/125/EC - Regulation No 65/2014

| Brand                                                                                                                                                                                                                | Beko                   |      |
